

Financing for all the ways they learn.

Students love learning with iPad because it's portable, powerful and easy to use. And with Apple Pencil¹, iPadOS and the amazing apps on the App Store, iPad is built for all the ways they love to explore, create and learn.

Bring iPad into your school with 0% interest and a flexible upgrade at the end of year two or the option to offer to make a final payment to own the product through Apple Financial Services.

To learn more, contact your Apple Authorised Reseller, Apple Representative, or anz_businessoperations@apple.com

Based on a two-year lease. Customers will make two annual payments with the option to return the product at the end of the second year or offer to make a final payment to own the product. Minimum iPad order \$10,000. AppleCare can be added. Any financing is subject to final credit approval and the completion of necessary documentation. Valid in Australia and New Zealand only. Expires June 30, 2020. *1 - Interest charges apply to the Apple Pencil and all other accessories.
